

August, 2017

Dear Parent,

Included in this communication is a class schedule for you to plan for your requirements for Christmas is for Kids if you think you'll need our help in 2017.

You are receiving this additional note because you have received help from the program for at least 4 years.

Beginning in 2017, all parents who have been recipients for 4 years or more must do a minimum of 6 classes, 2 of which must be on money management. If you received gifts since 2014, this was communicated to you on distribution day.

My suggestion would be to join 2 of the American Credit Counseling classes (see their contact information on the attached sheet). You can still do volunteer work or manage the other 4 classes through the schedule I've included, but I wanted to be sure to highlight for you that these additional 2 classes will be needed this year.

Please do not wait to get started. The fall will fly by once the kids are back in school and I do not want you to miss out because of this requirement.

All the best,

Kelly
